Highlights:

- Group turnover from continuing operations increased by 271.0% to \$40.0 million for Q2 2018 as compared to Q2 2017 mainly due to turnover of \$32.3 million from newly acquired logistics businesses, offset by a decrease in shipping revenue from a reduced fleet of 3 bulk carriers.
- The increase in cost of sales, distribution, administrative and finance expenses were mainly due to the newly acquired logistics businesses.
- The Group recorded loss from discontinued operations of \$22.7 million for Q2 2017. The discontinued operations relates to the Group's shipyard business in China which was disposed in Q4 2017.
- Overall, the Group recorded net profit attributable to equity holders of \$2.4 million for Q2 2018 as compared to a loss of \$20.8 million for Q2 2017.

SINGAPORE 13 August 2018 – Singapore Exchange (“SGX”) mainboard-listed COSCO SHIPPING International (Singapore) Co., Ltd. (the “Company”), one of Singapore’s leading logistics management service providers, today announced its financial results for the second quarter ended 30 June 2018.

Group turnover from continuing operations increased by 271.0% to \$40.0 million for Q2 2018 as compared to Q2 2017 mainly due to turnover of \$32.3 million from newly acquired logistics businesses, offset by a decrease in shipping revenue from a reduced fleet of 3 bulk carriers.

The increase in cost of sales, distribution, administrative and finance expenses were mainly due to the newly acquired logistics businesses.

Share of profit of an associated company of \$0.6 million for Q2 2018 was mainly due to share of profit from newly acquired 40% shareholdings in PT Ocean Global Shipping.

The Group recorded loss from discontinued operations of \$22.7 million for Q2 2017. The discontinued operations relates to the Group’s shipyard business in China which was disposed in Q4 2017.

Overall, the Group recorded net profit attributable to equity holders of \$2.4 million for Q2 2018 as compared to a loss of \$20.8 million for Q2 2017.

Moving forward as one team, the Group is expected to create overall synergy by engaging in cross sales and business optimization with its related companies. This will also help the Group to achieve economies of scale and scope.
